Room 104, Gathering Place. All are welcome!

The best is yet to come! (December 1). Dr. Robert Smith, Jr. will help clarify the controversy surrounding the 1335 days ("yowm"). An in-depth study of all relevant materials in the inspired writings and the pattern established in the book of Daniel will be our guide. The question to be addressed is: Was it Ellen White or was it "one of the numerous errors of Brother Hewit from Dead River" that was affirming the past fulfillment of the 1335 days ("yowm")?
